Li-chiang Chu Scholarships

The Scholarship's Purpose

- ❖ Li-chiang Chu Scholarships provide financial support to non-U.S or non-Canadian students who are graduates of Woodstock School and have successfully completed at least one semester or one quarter of studies in North America at an accredited educational institution.
- ❖ These Scholarships are designed to supplement rather than replace work effort and extended family resources if financial resources have become insufficient to cover their tuition, fees, and living expenses.
- ❖ Li Chu wanted the Scholarships' recipients to be known for an attitude of service to others and who are likely to extend aid to future students who may encounter a similar financial need in completing their studies in North America.

Limitation

- ❖ No employee, director, trustee, committee member or other individual with a formal role in the governing structure of Friends of Woodstock School (FWS), or any family member of such individuals, shall be eligible to receive a scholarship.

 3. Provide proof of a valid student visa or study permit from the U.S. or Canada, and
 4. Have completed one semester or quarter of studies in an accredited U.S. or Canadian university or college and intend or hope to continue studies at such an institution.  5. Have earned an average grade of no lower than 3.0 on a four-point scale in his or her post-high school studies, and
 6. Be able to justify the need for financial assistance to continue his or her studies.
 7. Be able to provide letters of recommendation from non-family members, preferably a professor/administrator of the student's North American accredited educational institution.

 1. Academic ability and achievement.
